| FERNS | | | | | |
| ADIANTUM pedatum 'Maidenhair Fern' | N/A | ●-● | 18-24" | N/A | Airy effect, ideal for containers. |
| ATHYRIUM | | | | | |
| felix-femina 'Lady Crested Fern' | N/A | ●-● | 24-36" | N/A | Froned tips have great texture. |
| nipponicum 'Pictum' (Ghost) | N/A | ●-● | 24-36" | N/A | Silvery fern with tall fronds. |
| nipponicum 'Pictum' (Japanese Painted Fern) PPA Winner 2004 | N/A | ●-● | 18" | N/A | Silver and green fronds, maroon stems. |
| DRYOPTERIS | | | | | |
| felix-mas (Male Fern) | N/A | ●-● | 30" | N/A | Semi-evergreen with long feathery fronds. |
| MATTEUCCIA struth. (Ostrich Fern) | N/A | ●-● | 36" | N/A | Bold, stately fern. |
| ONOCLEA sensibilis (Sensitive Fern) | N/A | ●-● | 24" | N/A | Medium light-green with feather-shaped leaflets. |
| OSMUNDA | | | | | |
| claytoniana 'Interrupted Fern' | N/A | ●-● | 24-48" | N/A | Majestic fern w/"interrupted" effect to fronds. |
| regalis (Royal Fern) | N/A | ●-● | 48-72" | N/A | Strong, tall, dramatic fern. |
| POLYSTICHUM | | | | | |
| acrostichoides (Christmas) | N/A | ●-● | 18-24" | N/A | Ornamental evergreen. |
| GRASSES | | | | | |
| BRIZA media * | Purple | ○-○ | 18-24" | SP | Evergreen, showy purple flowers. Soft, dense clumps. Very hardy. |
| CALAMAGROSTIS (Reed Grass) * | | | | | |
| acutiflora 'Avalanche' | N/A | ○-○ | 3-4' | N/A | Karl Foerster with a white variegated center. |
| 'Karl Foerster' PPA Winner 2001 | Gold | ○-○ | 5-6' | ES | Vertical habit, green leaves, golden flowers. |
| 'Overdam' | Yellow | ○-○ | 2-3' | SU | Variegated foliage, golden yellow plumes in summer. |
| CAREX (Sedge) | | | | | |
| buchananii | N/A | ○-○ | 1-2' | N/A | Evergreen, bronze-red foliage. Leaf tips tend to curl slightly. |
| caryophyllea 'Beatlemania' | N/A | ○-● | 2.5' | N/A | Long, gold variegated foliage. |
| comans 'Frosted Curls' | N/A | ○-● | 1' | N/A | Silvery green foliage with curly ends. |
| conica 'Snowline' | N/A | ○ | 15" | N/A | A fountain of dark green foliage edged in creamy white. |
| morrowii 'Ice Dance' | N/A | ○-● | 1' | N/A | Strong glossy creamy white margin. |
| CHASMANTHIUM latifolium | N/A | ○-● | 3' | MSU | Unique flat seed heads, cut flowers. |
| DESCHAMPSIA (Hair Grass) | | | | | |
| cespitosa 'Northern Lights' | Gold | ○-○ | 12-18" | LSP/ESU | Creamy white-pink variegation. |
| ERIANTHUS ravennae (Hardy Pampas Grass) * | Silver | ○-○ | 3-8' | SU/F | Silvery plumes; foliage turns brown/orange/purple in fall. |
| FESTUCA (Fescue) * | | | | | |
| glauca 'Elijah Blue' | N/A | ○ | 6-8" | N/A | Dwarf ornamental grass forms bright, intense blue-grey tufts. |
| HAKONECHLOA macra 'Aureola' (Japanese Sedge) | N/A | ● | 30" | LSU/EF | Variegated bamboo-like foliage turns pink in fall. |
| HELICTOTRICHON (Blue Oat Grass) ** | | | | | |
| sempervirens | N/A | ○ | 2' | N/A | Blue-gray foliage in winter with arching flower sprays. |
| HIEROCHLOE odorata (Sweet Grass) ** | N/A | ○-○ | 1-2' | N/A | Native. Gives off vanilla scent. Cascading foliage. |
| IMPERATA cylindrica (Japanese Blood Grass) | N/A | ○-○ | 12-24" | N/A | Clumping grass w/top half rich blood red color. |
| LAZULA sylvatica | Red | ●-● | 1-2' | SP | Spring bronze red flowers. |
| MISCANTHUS (Maiden Grass) * | | | | | |
| gracillimus | Cream | ○ | 4-5' | EF | Arching stalks with feathery fine-textured blooms. |
| purpurascens | N/A | ○ | 4-5' | N/A | Purple - red in late fall. |
| silberfeder | White | ○ | 8' | LSU | Showy white blooms. Flowers earlier than other sinensis. Very hardy. |
| sinensis 'Adagio' | Pink | ○ | 4-5' | SU/F | Showy whisk-like plumes. Fall color tan/brown to red/orange. |

(*) Denotes plants that have low water requirements.

(**) Denotes plants that will tolerate drought.

| NAME (Common Name) | Bloom Color | Light | Height | Bloom Season | DESCRIPTION |
|---|--------------|-------|--------|--------------|--|
| GRASSES (Con't) | | | | | |
| MISCANTHUS (Maiden Grass) * (Continued) | | | | | |
| sinensis 'Graziella' | Pink/Silver | ○ | 5-6' | LSU/F | Attractive blooms over narrow foliage. Reddish-orange in fall. |
| sinensis 'Little Dot' | White | ○-● | 36" | EF | Foliage has horizontal yellow bands, space about 4" apart. |
