

"Profit with Plants"

SPRING FUNDRAISER

6029 South Shields Fort Collins, CO 80526 (970) 223-4769

Seller's Helper

Before you start selling, you should know:

- 1) The name of your organization is: _____
- 2) How will you use the fundraiser money? _____
(For example; School trip, uniforms, equipment, etc...)
- 3) How much are you charging the customer for each card? _____

(Remember... the cards are used just like cash, for any in-stock retail merchandise at Gulley Greenhouse. Each card is worth \$20. They can be used until the full value has been spent, ... there is no expiration date. Gulley will keep track of the amount spent on each card.)

Gulley Greenhouse is located at:

6029 South Shields Street, Fort Collins

(between Harmony Rd. and Trilby Rd.)

We are open yearly from March through September.

- 4) For every card you sell, collect the money. Have the customer make checks out to your organization.
- 5) Give the customer their cards, make sure you have their information on your order form. Keep the check or cash in a safe place until you return it to your chairperson.

Remember!

The cards cannot be replaced! You will have to pay for all cards that are lost... so please keep them safe!

Please be responsible! Return your order form, the money collected, and all extra cards to your chairperson before the date they've requested.
