We request 24-hour notice for customer pickup orders, and at least 48-hour notice for orders to be delivered. We are happy to service walk-in customers; just go to the Wholesale Sales Office. Please, no order changes or cancellations without prior communication with our sales staff.

Plants may also be available to purchase through our retail garden center, but these orders are independent of wholesale orders and are subject to the pricing, terms and conditions of the retail division.

#### ORDERING FROM AVAILABILITY

All products that we grow will be available as they are stashed and ready to sell. Availability is first-come, first-serve. If orders are received concurrently, availability will be divided fairly between each.

This allows us to book the best, premium quality that you can depend on at the time you receive your order. *For example, an order placed on Tuesday May 7th must ship by the next Friday May 17th.*

Availabilities will be updated once a week on Monday mornings. Please visit our website to see the most current files:

<https://www.gulleygreenhouse.com/wholesale-finished-plants>. You'll also find a link to sign up for our wholesale email availability newsletter there. Please return the availability files to us via email or fax, and please print clearly!!
